## Do you like to drive or talk on the phone?

**Seniors, people with disabilities and others in Sisters Country who cannot drive themselves need to get to medical appointments and you can help!**

STARS volunteers offer ride services from Sisters to non-emergency medical appointments in Sisters, Bend and Redmond. We offer our passengers social support and help them live independently.

### As a volunteer you will:

- ◇ Drive your own vehicle to help others—Drivers
- ◇ Use your own phone and computer to book rides for passengers — Dispatchers
- ◇ Set your own flexible schedule and choose to drive or dispatch when you are available
- ◇ Be trained on a very easy to use online software to book or accept rides
- ◇ Make a lot of people very happy!!
